

■ TRAINING COURSES FOR AUTHORISED CLEARING OPERATORS

LCH. CLEARNET SA, Membership Department informs you that training courses for **Authorised Clearing Operators (ACO)** for the **year 2010** will be held in London on the following dates:

Thursday 15 and Friday 16 April
Thursday 18 and Friday 19 November

- **One module for "Risk" Operators**
dedicated to daily risks surveillance operations
- **One module for "Operation" Operators**
dedicated to daily clearing operations.

You can find both schedule and additional information of this training course on our website.

These training courses will be dispensed by Managers from LCH.Clearnet SA having a great experience in their respective area of skills and will allow the Authorised Clearing Operators (ACO) to deepen their knowledge of the statutory texts and the operational procedures of the Clearing House.

Please note that all candidates have to be registered **at least two weeks before the course.**

A knowledge test will take place approximately one month after the training course. Please note that your candidate won't be automatically registered to this test; it must be requested by your company with agreement of the candidate.
The definitive date will be confirmed later.
